Message from President Colin CHAU

No matter what happens in the future, what we do will make a difference. Our club continued being “People of Action” in aiding the communities during difficult times of COVID-19. Through carefully planned safety measure(s), we successfully completed numerous projects for the sake of beneficiaries. Despite of several encounters with

COVID-19 infected individuals, we reported zero cases of outbreak. I will like to thank every Rotarians, in our club, for their unconditional support in helping people in need.

Your support made it possible for service projects, including, but not limited to (1) Planting saplings deep in Shing Mun Country Park, (2) What’s Next? (Career Pathfinder), (3) Embracing Technologies for Business Opportunities, (4) Temporary Accommodation for Homeless, (5) Infinity! Learning without boundaries, (6) Blood Donations, (7) Tai O elderly visits, (8) Rookie Star Street Dance Education & Contest, (9) Necessity for Mother’s Choice, (10) Youth of Difference and (11) Break the Wave. For each service, our Rotarians learnt how to give and enjoyed fellowship along the way. Also, it was wonderful working with numerous organizations such as SoCO, NAAC, AVS, HKU, IVE and MC.

Social distancing made gatherings luxury for many of us. We were fortunate having 3 Regular meeting in H2 2020 before the 3rd wave of outbreak; when dining was restricted, we opted online gatherings. Thank you to DGE Keith, PN Johnson LAI, Alex CHAN, Michelle LEUNG and Rtn Johnny HO who spoke with us during past regular monthly meetings; their sharing enriched our understanding into their vocation(s).

From Oct 2020 to Apr 2021, media covered some of the services projects where our club was either the principal organizer or co-organizers. These coverages

could be found in newspapers, MTR’s panel displays, KMB’s bus(es) and television. We were grateful that MTR provided, “free of charge”, 300 panel-displays along rail tracks through HKSAR and West Light Rail. Also, we were delighted with a full bus display, “free of charge”, for one of our projects. These media exposures increased awareness on case(s) where government finds difficulties to help. Rotary bridges such unmet needs; thank you to DG Dr. Eric CHAK for his inspiration and PDG CP Dr. Eric CHIN for his guidance.

Apart from having very talented Rotarians within our club, hungriness on giving back to society led us to complete many projects. The decentralized decision & implementation processes within our club allowed our Rotarians to act freely and promptly to dynamic situation(s). RTN. Ariel initiated and completed a service project with Mother’s Choice, within a short time frame, beneficiaries were taken care.

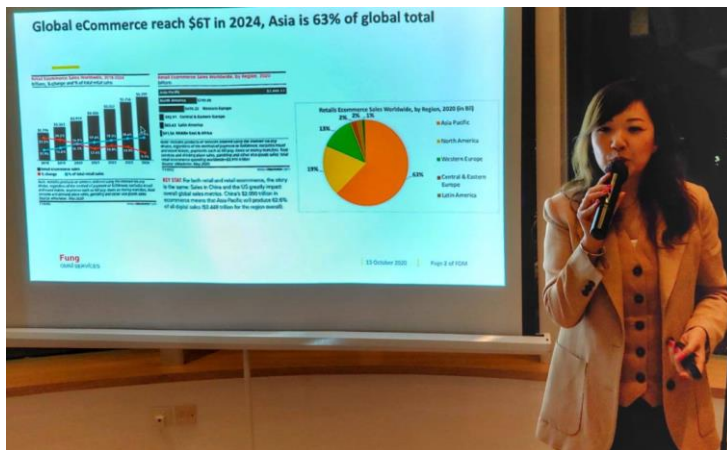

Few of our Rotarians are or were trapped outside HKSAR due to travel restriction(s). Welcome back Rebecca FOX and we are looking forward to Dr. Eddie CHAN as well as Johnson LAM coming back to soon!

On 18th March, 2021 our RTN. Jennifer TAN spoke to us on Fintech, via online platform during monthly regular meeting. Hope we can meet in person in April!

Yours truly,

President Colin CHAU

Temporary Accommodation for Homeless ("TAFH") targets to help 100 people who are street sleepers and COVID-19 made lives more difficult for them. In addition, for free, MTR provided 300 display on panels along trackside for 1 month; while KMB, for free, provided us with 1 bus with full bus display for 1 month. 經濟不景露宿者激增 社協三個月用畢資助

香港去年經歷社會事件影響，加上今年受疫情衝擊，令經濟雪上加霜，失業率上升，連帶露宿者服務需求急升。社區組織協會指有關服務大增，特別是租地方供露宿者短暫居住，今年該會獲政府有關項目資助的十七年來，首次不用三個月使用畢款項。

社區組織協會社區組織幹事吳南東向本報表示，不少港人因失業導致經濟困難，無力支付房租被迫露宿街頭。社協今年接獲西九龍區包括油蔴地、深水埗及九龍城區約四百名露宿者，吳南東指西九龍區的露宿者數目，佔全港露宿者總數的百分之五十四。他發現，今年經濟受疫情重創，多了人成為露宿者，社署登記露宿者人數由二〇一三年的七百一十八人，增至今年逾一千四百人。

吳南東指，社協多年來都有露宿者服務項目，每年都會派發資助，包括幫助露宿者租單位作短期住宿服務。「今年係十七年來，首次唔使一年便用完資助，政府再撥十四萬元資助，唔使三個月就唔！」他指三月一日起至五月底，已協助八十人找到地方住宿。

疫情封關 行乞被捕銳減

在街頭行乞被捕人數，在二〇一七及二〇一八年分別有一百一十二人及八十三人，其中內地來港行乞者居多佔逾八成，分別佔九十九及六十九人。但去年社會事件持續多

為，街頭行乞太多是內地人，今年因行乞被捕人數大減，相當有可能與因疫情封關有關，因為來港人數驟減至十四日，若將來解封關口，估計會重現內地人士來港行乞情況。任何人到處流浪，或在任何公眾地方行乞，可能觸犯《簡易程序治罪條例》，如屬第一次或第二次定罪，可罰款五百元及監禁一個月。

Visiting Elderlies at Tai O + Fellowship

On 15th November 2020, 20 Rotarians, 5 RCC's members and 7 family members joined forces to visit 32 elderlies living alone in Tai O. Through the arrangement of our partnering NGO, YWCA, 32 hampers consisting of rice, oil, soya source, biscuit, canned food, Hi-Calcium Soya Drink and finger-strengthenener were donated to the elderlies. We were separated into 8 teams to meet the social distance requirement and each team met 4 elderlies. Each elderly shared their unique stories and we had a wonderful morning connecting with them. If each of us spend some time per day around them, we could increase happiness in our community and develop rapport with these people who silently supported the success in HKSAR. Inclusive of co-ordination, a total of 135 man-hours was committed into this service project.

MID-AUTUMN HAMPER FOR STREET SLEEPERS

On 25th Sept, 6 clubs gathered at Tai Kok Tsui to assemble 260 gift packs for homeless. It was a delight to cooperate with RC Kwun Tong, RC Innovation HK, RC Braemar Hill, RC Tsim Sha Tsui, RC Peninsula Sunrise and RC HK North Point. Rotarians got to know each other better during servicing. Each bag was made up of orange, towel, medicated oil, facemasks, mooncake, swiss roll and carton drink. RC HK North Point had strong presences during package assembling that included P Colin CHAU, PDG CP Dr. Eric CHIN, RTN Eric LEUNG, RTN Alex AU, RTN Royce CHOW, RTN Colin TO and RTN Yuki LI

Joint Rotary Club & Professional Organisation Event ~ 18 March 2021

A Joint Rotary Club event was organised with 2 professional organizations, including: Digital, Information and Telecommunication Committee of HKGCC and Global Single Family Office Association. After club affair reporting, we arrived to the highlight of the evening with our Fellowship Chair, Jennifer TAN, sharing her insight to digital payment solutions. Over 80 participants, via Zoom, joined; we learnt the good deeds done by Rotary Club of Braemar Hill, Rotary Club of Innovation HK and Rotary Club of Kwun Tong. Despite of being late in the evening, our Jennifer TAN's presentation was very engaging and kept everyone energized!
