Message from President Peter Pang

Dear fellow club Honourable members, leaders, officers, Rotarians and Rotaractors, Interactors, and friends,

It is my honour having the chance be the Club President for Rotary Club of Hong Kong North Point in 22/23. I'm one of the club charter member, I still remember clearly that when the date PDG Eric Chin, my school principal, the DG in my first President year in 16/17, introduced his mission of chartering a new club, that is vibrant and diversity, and is following the standard of Rotary, embrace both Rotary tradition and with the times. Having the district achievements of the first club President PP Elsa who got the President of the year in 19/20, and the follow on with PP Colin and IPP Carlos leading the club, it is my turn to nurture this new born baby.

Like a 3 years old kid, the club keeps learning and growing, one of our focus this year is to learn and to practice both human touch and rules. To quote Kung Fu Master Ip Man (葉問師傅) a famous couplet:

立身樹為模，本固任由枝葉動；
處世錢作樣，內方還需外邊圓

English version:

“Living in this secular world, take as your model Fine Trees; ^[L]_[SEP]With strong and deep roots, let the branches and leaves sway with the breeze. ^[L]_[SEP]The shape of an Old Coin, one's attitude in life should follow - ^[L]_[SEP]The outside edge should be round, and the inside, square and hollow. “

Would like to thanks PDG CP Eric giving me the chance to serve the club, thanks all past Presidents who continuous support the club whenever it needs, thanks to all committee chairs and core teams who is to learn, to lead and to act, thanks to all club members who are engaging and committing to Rotary Club of Hong Kong North Point.

We may not be the best, we hope to be the one of the best!

Yours sincerely,

Peter Pang
President of Rotary Club of
Hong Kong North Point (22/23)

Developing Inclusiveness with beneficiaries at Wellness Manor

On 9 October 2022, members from Rotary Club of Hong Kong North Point were invited to join the Birthday Party held in Wellness Manor ("NAAC-WM") which was organized by The Neighbourhood Advice-Action Council ("NAAC") and George A. Spence Foundation ("GASF"). NAAC-WM is a hostel for moderately mental handicapped persons which provides short term residential for people with disabilities in the community so their family could have a short break or may attend to their personal matters.

With beneficiaries from NAAC-WM, our Rotarians enjoyed time of fellowship and inclusion through fun-time of singing and dancing followed by cake cutting plus afternoon tea together. While the gathering was only 2hrs, friendships were built. One beneficiary whispered into one of our Rotarian to say "my birthday soon"; despite of limited words, it was so heart-warming they wanted to chat with us and wish to extend friendship into the future. The afternoon tea was arranged by a social enterprise which supports HKSAR's local economy.

Our December fellowship dinner at Lingnan Club is definitely a fruitful experience not only with good food and wines, but also with the inspiring sharing from our two guest speakers!

Firstly, we had Ms. Peggy Chan who is the **President of Hong Kong Island Toastmaster Club & also a registered pharmacist**, she shared with us the topic - **Fighting Hyperlipidemia (高血脂症)**. Given the hectic life we have in Hong Kong, we should all pay effort to maintain our health! Prevention of disease is key!

We then had our P Peter Pang to share his topic - **My Rotary Moment**. In his past 7 years of Rotary journey, P Peter has had many memorable experiences and joyful moments with his local and international Rotarian friends. The services projects he joined have created direct impacts and helped the beneficiaries to develop higher self-esteem and engagement with their communities. Thank you President Peter for the authentic sharing and leading by example of serving to change lives. Wishing P Peter and all Rotarians the best in their Rotary journey!

Rotary D3450 The One Humanitarian Award 2022 Gala Dinner

Our Club is the Bronze sponsor for the One Award and committed for 3 years.

THE ONE, was conceptualized and founded by Past District Governor Dr. David Harilela in 2011 and is the first international humanitarian award launched by Rotary International District 3450.

This award aims to find the unsung hero of today by accessing the powerful Rotary network of over 1.2 million people. As signified by the Rotary motto, Rotary's main objective is service — in the community, in the workplace, and throughout the world.

THE ONE Hong Kong Humanitarian Annual Award (hereafter "THE ONE HK") seeks to find and honor unsung heroes in Hong Kong who are doing good for and within the community.

The Rotary D3450 awards, which returned after three-year, was co-founded in 2012 by PDG David Harilela. It was created with the goal of empowering and rewarding individuals who dedicate their lives to serving others in need. The evening saw HK\$2.5 million awarded to six humanitarians from Hong Kong, Nepal and Thailand. These included Avis Rideout, a missionary based in Thailand who works with HIV-infected and abandoned children; and Kitty Poon, founder of the Hong Kong-based charity LoveXpress Foundation, which serves the special needs community. The cash prizes will go towards their work and humanitarian efforts.
